

**PATENT****REMARKS**

Claims 1, 4-6, 15-16, and 22-23 are pending in the present application.

In the above amendments, claim 9 has been cancelled without prejudice.

In the Office Action, the Examiner rejected claim 9 under 35 USC 103(a) as being unpatentable over Yun et al., US 2002/0039355, in view of Park et al., US Patent 6,747,963. In addition, claims 1, 4-6, 15, 16, and 22-23 were allowed. Applicant thanks the Examiner for the indication of allowable subject matter.

Claim 9 has now been canceled, and the only pending claims are the allowed claims, claims 1, 4-6, 15, 16, and 22-23. Therefore, it is respectfully submitted that the application is now in condition for allowance.

**PATENT****REQUEST FOR ALLOWANCE**

In view of the foregoing, Applicant submits that all pending claims in the application are patentable. Accordingly, reconsideration and allowance of this application are earnestly solicited. Should any issues remain unresolved, the Examiner is encouraged to telephone the undersigned at the number provided below.

Respectfully submitted,

Dated: April 18, 2006
